PLATFORM DEMO

KEEP THINGS FLOWING WITH THE ALL-IN-ONE POS

Transform your business with Qauntix's integrated software — designed to streamline operations, enhance customer experiences, and boost profitability through real-time insights.

Explore Features →

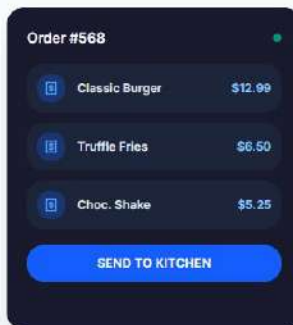

See top-performing items

Live revenue analytics, product rankings, and peak hour detection.

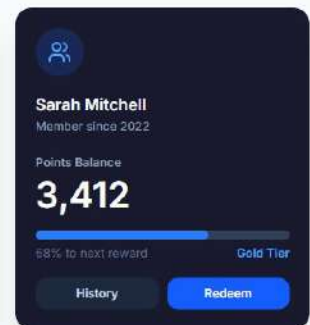

Manage staff & scheduling

Clock-ins, shift scheduling, payroll reports and labor cost tracking.

Keep all orders in one place

Real-time order management with instant kitchen display sync.

Turn guests into regulars

Built-in loyalty program with tiers, points, and targeted promotions.

EVERYTHING INCLUDED

Every tool your business needs

From the counter to the cloud — Qauntix handles every part of your operation.

Real-Time Analytics

Live dashboards showing sales trends, peak hours, best-sellers, and revenue — all in one view.

Smart Inventory

Automatic stock tracking with low-stock alerts and one-click purchase orders to suppliers.

Omni Payments

Accept cash, card, contactless, QR codes, and split bills — all settled in seconds.

Customer Loyalty

Built-in CRM with loyalty points, purchase history, and targeted promotions.

Multi-Location

Manage all your branches from one dashboard. Sync menus, pricing, and reports centrally.

Bank-Grade Security

PCI DSS compliant, end-to-end encryption, and role-based access controls out of the box.

24/7 Support

Live chat, phone, and email support whenever you need it. Real humans, fast responses.

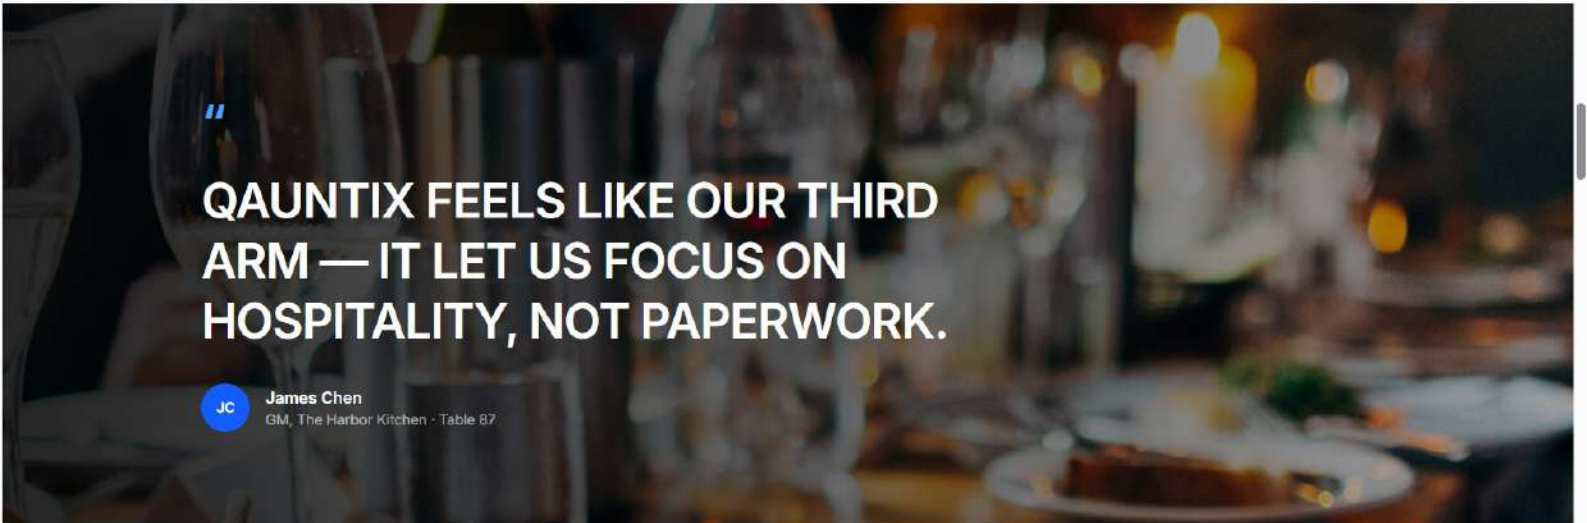

Offline Mode

Keep selling even without internet. Gauntix syncs all transactions automatically when back online.

Always Up-to-Date

Automatic silent updates. No downtime, no manual installs, zero disruption.

TESTIMONIALS

Businesses love Qauntix

Real results from real businesses across retail and restaurants.

★★★★★ Retail

"Qauntix transformed how we manage our 3 stores. Inventory sync alone saves us 4 hours a week. The analytics helped us cut slow-moving stock by 30% in two months."

SM Sarah Mitchell
Owner, Bella Boutique

★★★★★ Restaurant

"Table management and the KDS integration made our kitchen 40% faster during dinner rush. Our servers love the split-bill feature. Best POS we have ever used, period."

JC James Chen
GM, The Harbor Kitchen

★★★★★ Retail

"We expanded from 2 to 8 locations in a year. Qauntix scaled with us effortlessly. The multi-location dashboard is a game-changer for our regional managers."

PS Priya Sharma
Founder, FreshMart Chain

★★★★★ Restaurant

"Online ordering integration boosted our off-peak revenue by 22%. Reporting is granular enough for finance and simple enough for our floor managers."

MW Marcus Webb
Director, Urban Eats Group
